### **R. Clay Burkhalter Named ASQ-Certified Quality Auditor**

The Certification Board of the American Society for Quality has announced that Robert Clay Burkhalter, ORBITEC Quality Assurance Manager, has completed the requirements to be named an ASQ-Certified Quality Auditor. As such, Mr. Burkhalter has reached a significant level of professional recognition, indicating a proficiency in and a comprehension of quality auditing tools and techniques. Said Ronald D. Atkinson, President of the American Society for Quality, "This is a great accomplishment . . ."

To qualify to sit for the examination, Mr. Burkhalter had to have eight years of on-the-job experience in one or more areas of the Auditor Body of Knowledge and a minimum of three of those years in a decision-making position. Mr. Atkinson explained, "ASQ provides certification as a way to provide formal recognition to professionals who have demonstrated an understanding of, and commitment to, quality techniques and practices in their job and career."
